

# VOTE

I would be thrilled to be your 2023-2024 Florida 4-H Secretary! With strong record management skills, I will be efficient with organizing and maintaining important documents. I am able to communicate in a timely matter with fellow members, staff and external stakeholders. Being detail-oriented, I will be precise in all my tasks. Currently being on the Florida 4-H State Council, I possess the ability to work effectively with a team!

## FLORIDA 4-H STATE COUNCIL

# SECRETARY

## One Last Laugh

"For the past 12 years, I have been a member of the Sumter County 4-H. It would be an honor to represent my county at the state level and serve as your Florida State Council Secretary!"
