

# VOTE COLLINS

## ABOUT ME

My name is Dylan Collins and I am from Clay County. I enjoy reading (especially fantasy novels), swimming, horseback riding, and participating in 4-H events! I am also an active FFA member and have plans to become a large animal vet after after graduating

I am motivated to be the Florida 4-H State Council Treasurer because I know myself to be fully competent to ensure that Florida 4-H's current financial standing is improved it through innovative fundraising methods. This allows me to contribute to the mission of 4-H in raising young leaders, much in the same fashion as I found myself growing within 4-H.
