OBJECTIVE

Heading into my final year in 4-H, my objective for the year is to try and get more kids interested in 4-H. Get them interested in some of the many events 4-H has to offer at a county, district, and state level. As an active member of Florida 4-H, I want to advocate for all the opportunities 4-H has to offer for everyone, youth and adult. Another objective of mine is to help make it so kids feel like they belong in 4-H.
