

## Florida 4-H State Officer Election Special Edition

# LAINY'S GAZETTE

## Lainey Fisher is Running for Florida 4-H State Council Reporter!

### What makes you qualified to be a state officer?

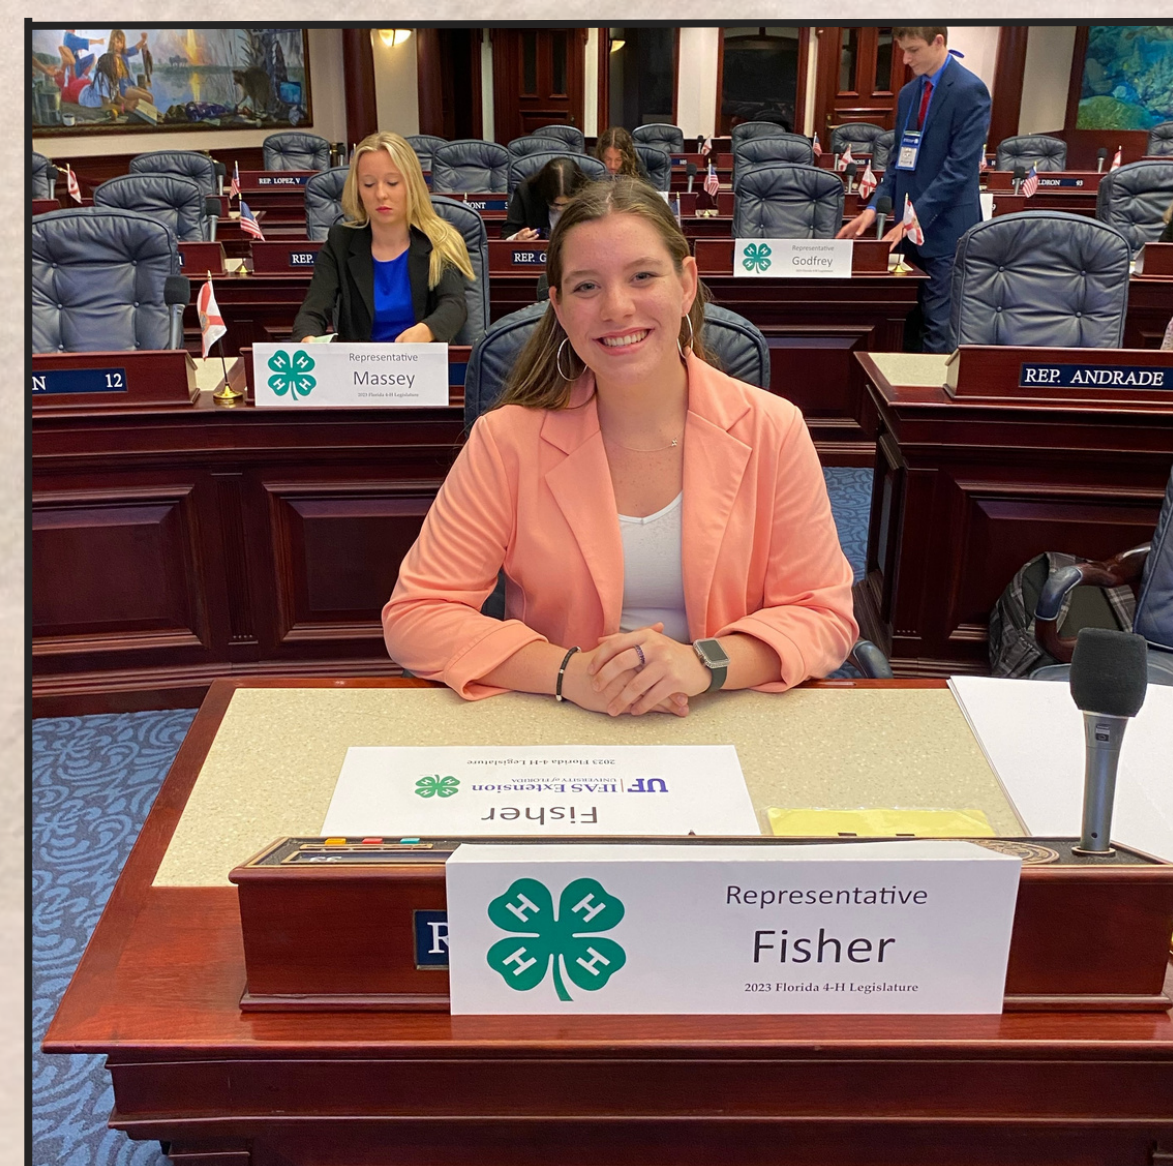

"I believe the lessons that I have learned through 4-H have prepared me to be a state officer. I have learned proper communication skills, leadership skills, teamwork, problem solving skills, responsibility, and much more. I have learned these lessons through attending leadership events like Southern Regional Teen Leadership Conference (SRTLTC) and 4-H Legislature. I also have been the Vice President of Lee County Teen Leadership 4-H Club and a member of Florida 4-H Executive Board."

### Who is Lainey Fisher?

"Hi! I am 16 years old and I am a member of Lee County 4-H. I joined 4-H four years ago, and since that day my life has completely changed. I have completed many projects but the ones that have had the most impact on me are goats, market swine, and leadership. I have experienced the many opportunities that 4-H has to offer and the lesson that can be learned from these opportunities. My goal is to spread the word about the opportunities available in 4-H across the state."
