

Nick Wilson
Duval county, FL 4-H
Vice President Candidate

Personal Summary

I have strong leadership skills and work well in diversified conditions. I'm able to adapt quickly even in stressful situations. I provide good communication and multi-tasking skills to help thrive in team environments. I am an ambitious man with achievable goals. Working in 4H has been such a life changing experience for me, and all I hope to do is bring that experience to more kids. I will work to create a welcoming environment just as the state officers before me have.

Life Skills Development

Teamwork

- Collaborated with two state officers and other members of the 2022-2023 State Executive Board to plan and renew the Florida 4-H Legislature program, planning new events and schedules for incoming 4-H Senators and Representatives.
- Worked on new procedures and revamped the 4-H State Service Project website and surveys with both state officers and 4-H officials.

Communication

- Set up monthly team meetings and voice calls with our State Service Project Resources sub committee, to set goals for the next meetings and review our accomplished work.
- By competing in 4-H "Share the fun" competitions for all nine years of my 4-H career, I've improved my confidence and stage skills, as well as compassion and sportsmanship.
- By participating in the 4-H Southern Region Teen Leadership Conference, I got to meet up with 4-H members from different states with different traditions. This event helped give me the perspective of how different we all individually are.

Leadership

- Through my previous role as Vice President and my new position as President of our Duval County 4-H Teen Leadership Club, I managed and filled in different roles of absent presiding officers. Which has helped me further strengthen my communication, multitasking, and adaptability values.
- As Secretary of Senate for the 4-H Legislature program, I've improved my organization and note-taking capabilities.

4-H Experience

- 2022-2023 Florida 4-H Executive Board member, 4-H Legislature Secretary of Senate
- 2022 Southern Region Teen Leadership Conference (SRTLTC)
- 2022 4-H University
- 2022-2023 Duval County 4-H Teen Leadership Club: Vice President
- 2023-2024 Duval County 4-H Teen Leadership Club: President
