HOWARD
FOR YOUR STATE 4-H
TREASURER

MY 4-H CAREER

I began in 9 year adventure in 4-H, with the Poultry Club. From there I moved up in my 4-H involvement. After a few years, I joined the Lee County 4-H program, for 2 years. I have held office in the 4 Feet, Fur, and Feathers 4-H Club. I later moved back to Desoto County 4-H and joined the Fort Ogden 4-H club and have held office since joining. Throughout my 4-H career I have been on Executive Board, District X Council, Lee County Teen Leadership, and Desoto County Teen Leadership. I have taken an interest in grilling, and have participated in the SWFL fair grilling contest, Regional Grilling contest, and I have worked my way to the State Grilling Contest. In 4-H I enjoy showing livestock, I first started showing poultry and later tried showing sheep. I switched to swine and have continued with that since. This year I am doing another swine project and I will be doing my first steer project.
