MUSIQ WILLIAMS IS RUNNING FOR 4-H STATE REPORTER!!

Who is Musiq?

“Hey y’all! I am 16 years old and a member of Palm Beach County 4-H. I joined my county’s program 3 years ago and my projects are in poultry, tailgating/cooking, and public speaking. Since joining Florida 4-H, I have grown many connections and experienced many new opportunities which has allowed me to discover my passion for law and agriculture. My goal as a candidate for state office is to introduce others and encourage others to join 4-H and reap the benefits of the wonderful people and opportunities found in this amazing organization “

-Musiq Williams

What makes you qualified to be a state officer?

“From being in 4-H the past few years, I believe that I have learned valuable skills and fundamentals that have prepared me to be a state officer. I have learned leadership skills, responsibility, teamwork, and a lot more from having leadership positions in the Work Ready Florida Advisory Board, being the President of the Palm Beach County Teen Leadership Council, and being a member of executive board. I have also developed skills like communication from speaking to the undersecretary of the USDA, representing Palm Beach County at city commissioner meetings, and also speaking to the state legislature in support of funding Camp Cherrylake and emphasizing 4-H’s constant effect on my life for the better.”

-Musiq Williams

Breaking News

How do you show the 4-H's? "I Pledge..."

My Head to Clearer Thinking..

As my county council's president, I have collaborated with my county officer team and agents to plan various, successful, fundraisers. Some were our Double Good fundraiser and our Bingo Night fundraiser which required community engagement. We were able to get the locals involved by distributing flyers and using social media platforms and emails

My hands to Larger Service....

As my county program continues to flourish, more opportunities to work with the community are given, I find complete joy in giving back to my community, and in this past 4-H year, my county was able to send letters to farmers around our county and state to thank them for their continued efforts in inspiring us to work harder for the causes that we believe in every day. I was also able to help the cloverbuds and juniors in my county's Fishing camp and Poultry Judging club.

My Heart to Greater Loyalty..

Florida 4-H has been such a blessing for me to have joined. Not growing up in 4-H or agriculture in my side of the county, I had to forge new relationships and grow out of my comfort zone, which I can say that I have accomplished. My mission as a state officer would be to introduce others and encourage others to join 4-H and build those connections with the members from the state, agents from different counties, and stakeholders that have inspired me to continue on my journey in agriculture and public speaking.

My Health to Better Living...

In the community that I have joined from being in my county's program, state clubs, Work Ready Florida, and Executive Board, I have promoted healthy living through community gardens and establishing a safe space for open discussion to promote mental awareness and wellness

For my Club, my Community, my Country, and my World"

Let me be the Musiq to your ears and vote me
to be your 2024-2025 state reporter!!
