Jeffrey Dangerfield

Personal Summary

Dedicated 4-H member with a passion for leadership, youth development, and serving others. Experienced in public speaking and representing Florida 4-H through leadership opportunities, while inspiring members to grow as leaders in their clubs and communities.

Life Skills Development

Teamwork

•While serving on the Florida 4-H Executive Board and iLEAD Committee, I worked together with my fellow members to plan and facilitate workshops, icebreakers, and team-building activities for youth across the state.
•As President of my County Council, I co-chaired a planning committee and worked with other youth to plan a lock-in event for Walton County 4-H.

Communication

•While serving as a District and County Council Officer, I communicated effectively with my fellow officers and members during meetings and club events to better understand our goals and work together to reach them.
•Since joining 4-H, I have learned to listen respectfully to others, value their ideas, and encourage their participation in discussions and activities.

Leadership

- While serving as President of my County Council, I led meetings and community service projects that benefited my community in many ways.
- During the 2024–2025 program year, I served as a youth instructor for my county's Archery Club. I taught other youth range safety, as well as the parts and functions of archery equipment.
- During my time on the Florida 4-H Executive Board and iLEAD Committee, I had the opportunity to lead and leave a positive impact on youth through workshops and team-building activities.
