LIFE SKILLS

Leadership

- As the Vice President of the Brevard County Council and the Primitive Opossums shooting sports club, I have helped lead meetings with youth ranging from clover buds to seniors.
- As a youth shooting sports instructor, I help other club members to be safe.
- At iLead 2024, I helped lead and facilitate activities for the intermediates in attendance.
- As a volunteer camp counselor at the Environmental Learning Center in Vero Beach, I helped adult counselors to lead and facilitate activities for the kindergarten to middle school age youth.

Community Service Volunteering

- I have been a member of the executive board service committee for two consecutive years and because of this, I have helped plan, setup, and have participated in all 6 service projects from those two years.
- I volunteered as a camp counselor at the Environmental Learning Center in Vero Beach for a total of 70 hours.
- As a member of the Brevard County Council, I help clean a county property quarterly.
- I volunteered with my county club to serve food at a National Honey Bee Day celebration at the Brevard Extension Office.

Communication

- As a member of the 4-HU committee in 2023, I communicated with other committee members to help the adults with anything they needed done at 4-HU, and I also had multiple speaking roles.
- As a member of the ILead committee in 2024, I communicated with other committee members to facilitate activities, and help the adults with anything they needed.
- At my county clubs I communicate with the other club officers and the club members, as well as the adult volunteers and extension agent.
- I've attended multiple shooting sports instructor trainings where I have had to communicate with other youth instructors and adult volunteers to lead a mock class effectively.
