OBJECTIVE

4-H was the first place I felt like I really fit in, and it has allowed me so many opportunities to meet new people, try new things, learn new skills, and do things I never would have even imagined myself doing. My goal as a state council officer is to bring that same feeling of belonging to as many people as I can. I want to help do for others what was done for me all those years ago when I joined the program and pass it along to people who need those opportunities like I did.
