

# Treasurer is "COLLINS" my name

## ABOUT ME

My name is Dylan Collins and I am from Clay County. I enjoy reading (especially fantasy novels), swimming, horseback riding, and participating in 4-H events! I am also an active FFA member and have plans to become a large animal vet after after graduating

**I am motivated to be the next Florida 4-H State Council Treasurer because I know that I am capable as a leader and as an overseer of State Council's finances. During the upcoming year I plan to work dilligently to ensure that the Florida 4-H license plate can enter production by pre-selling the minimum number of plates**
