

*“To make the best better”*

### **About me:**

-My name is Merrick Dailey, I'm 18 years old and I've been in 4-H for the last 9 years.

-My main projects are 4-H shooting sports with a focus on archery. I also spend a significant amount of time giving back to my community through volunteer work and I am involved in the leadership track within the state and national levels of 4-H.

### **My Goals as a state officer:**

-It's my last year in 4-H, and I want to use the time I have left to make as much of a difference as possible by passing on the things I've learned, and the opportunities I've been involved in during my time in 4-H

-I want to help to grow this program and bring in more new members, as well as focus on acts of service, conservation, and helping the community see what impact the 4-H program can have on the youth of our state.

### **Why you should consider voting for me:**

-I'm very passionate about 4-H and how it can help youth find a place to belong, as well as find their interests in activities like S.T.E.M., shooting sports, agriculture, forestry, ecology, and so much more.

-I am organized and detail oriented and able to research and gather information to assist with my responsibilities within the 4-H programs I am involved in.

-I have been a 4-H junior instructor club president in archery, muzzleloading, rifle, air rifle, and hunters safety for the past four years, so I leadership knowledge and experience needed to be the Florida 4-H state council secretary.
